### Recruitment – Note to Applicants

The qualifications, experience and technical skills will be used in the decision-making process for recruitment. Please give examples of how you have exhibited these behaviours in your previous role(s). It is essential you address the criterion marked as (A) on your application form in the section for supporting information.

Be as specific as possible, we cannot guess or make assumptions, but will assess your application solely on the information provided. Try to provide evidence, by examples, where possible, of skills, knowledge and experience contained in this person specification.
