<p>JOB PURPOSE:</p> <p>The role of Videographer / Photographer will be part of a newly formed group-wide marketing department responsible for raising the awareness and enhancing the reputation of the Production Park group of companies through multichannel marketing activity under the direction of the Marketing & Commercial Director.</p> <p>The Production Park Group includes:</p> <ul style="list-style-type: none"> • Production Park - <i>the destination</i> - the campus on which all members of the group and over 20 tenants (live events businesses) are located. • Backstage Academy - <i>the higher education provider</i> - a small & specialist institution with over 200 students offering degrees for the creative industries. • Production Park Studios - <i>the studios</i> - rehearsal studios in Yorkshire and London. • XPLO - <i>the innovation centre</i> - a research and innovation centre for entertainment technology and production. 	

This is a rare opportunity and will form a key part of our strategy to produce inspiring, engaging and impactful visual content to tell the multitude of stories that need to be told on Production Park.

We're looking for someone with creative flair, imagination and a huge passion for video and photography. We place huge importance on our visual output, therefore this role will play a pivotal part in delivering our creative vision.

On a day to day basis, you could be:

- Filming a virtual reality research project for XPLORE and editing it into a 60 second case study for social media
- Storyboarding the lead advert for one of the businesses on the Park alongside the rest of the marketing team
- Colour grading images you've taken of our latest merchandise range
- Converting previously captured footage into multiple short form videos for different devices for an advertising campaign
- Filming one of the artists booked into Production Park Studios
- Photographing a live event taking place on campus.

PRINCIPAL DUTIES AND RESPONSIBILITIES:

Within the scope of the above job purpose:

Main Responsibilities (in collaboration with the Marketing & Commercial Director and other colleagues):

- Shoot, edit and produce engaging, impactful and inspiring video and photography.
- Capture images and video footage of activity around Production Park and beyond on a daily basis for quick conversion into publishable content on social media and other digital channels.
- Deliver on creative briefs to a high-standard, on brand and on time.
- Contribute to and regularly lead on creative discussions on new video/photography projects and manage the production process from concept to delivery.
- Create a distinctive content style using colour grading and other similar techniques.
- Create and insert motion graphics, SFX, voice-overs, titling and other additional features to enhance video content.
- If required, work with the rest of the marketing team to edit, maintain and upload content onto our website and social media channels.
- Organise and maintain an effective and accessible filing system of digital assets.
- Prioritise and schedule work effectively, anticipating problems and adjusting the allocation of resources and time accordingly.
- Keep abreast of emerging marketing and design trends that could enhance marketing activities and content production.
- Any other reasonable duties as required by the Marketing & Commercial Director.

SPECIAL REQUIREMENTS

The post-holder will be expected to work evenings and weekends when required, with time off in lieu.

All staff are expected to comply with Backstage Academy's Health and safety and Equal Opportunities policies in the performance of their duties.

N.B. The post-holder may be required to undertake any other duties which may reasonably be required as within the nature of the duties and responsibilities of the post as defined, subject to the proviso that normally any changes of a permanent nature shall be incorporated into the Job Description in specific terms.
