The role of Videographer / Photographer will be part of a newly formed group-wide marketing department responsible for raising the awareness and enhancing the reputation of the Production Park group of companies through multichannel marketing activity under the direction of the Marketing & Commercial Director.

This is a rare opportunity and will form a key part of our strategy to produce inspiring, engaging and impactful visual content to tell the multitude of stories that need to be told on Production Park.

We're looking for someone with creative flair, imagination and a huge passion for video and photography. We place huge importance on our visual output, therefore this role will play a pivotal part in delivering our creative vision.

On a day to day basis, you could be:

- Filming a virtual reality research project for XPLOR and editing it into a 60 second case study for social media
- Storyboarding the lead advert for one of the businesses on the Park alongside the rest of the marketing team
- Colour grading images you've taken of our latest merchandise range
- Converting previously captured footage into multiple short form videos for different devices for a student recruitment advertising campaign
- Filming one of the artists booked into Production Park Studios
- Photographing a live event taking place on campus.
